

### ***Clinic Schedule***

**You must make a reservation for any of these clinics by emailing Dr. Rambus at [erambus@hotmail.com](mailto:erambus@hotmail.com) or calling 303 777-1723**

#### **Clinic rules for Tuesday clinics:**

1. Make sure all cats are dropped off between **9:00-10:00 a.m.** Be sure someone is available to pick them up between **12-2 p.m.** at the mobile clinic.
2. For all cats 12 weeks and older—**no food** after 10 p.m. the night before surgery. For all kittens between 8-12 weeks—no food after 6 a.m. the day of surgery. Water is okay for all.
3. All cats and kittens must be in a carrier or trap. Be sure to label them with your name and phone number.
4. PLEASE check your email before coming to every clinic. There are clinics that we may have to cancel at the last minute (due to bad weather, etc.). We also have to occasionally put a last minute limit on the amount of cats you are allowed to bring. If you check email prior to coming, then there won't be any surprises for us!
5. If you would like to bring cats to a weekday clinic (or want to send someone else with cash), PLEASE contact Erica at [ericarambus@gmail.com](mailto:ericarambus@gmail.com) to make sure it is okay.
6. Owned cat fees are as follows:  
Spay or neuter \$35—**cash only please!** Feral and stray cats--\$10.  
\*\*Remember, these are only suggested donations (much needed and much appreciated). Owners will not be turned away if they cannot afford this.
7. When coming to the clinic, if you do not see the clinic in front of the designated property, please be sure to look up and down the street, as well as in the alley behind the property. We do not always know where exactly we'll be parked until we get there.
8. If you are sending someone else to the clinic, please tell them all of our rules for clinics.
